Section 5.2 Personal Obligation of Owner. Such assessments shall be fixed, established and collected from time to time as provided in the Act, this Declaration and the Bylaws of the Association. Each Owner, by acceptance of deed, further waives any Homestead Exemption as to any lien created by this Declaration or the Act. All assessments, together with such interest thereon and costs of collection thereof, including reasonable attorney's fees, as hereinafter provided, shall be a lien pursuant to the Act and shall also be a continuing personal liability of the person who was the Owner of such Lot when the assessment fell due.

Section 5.3 Purpose of Assessments. The assessments levied by the Association shall be used exclusively to pay Common Expenses and for the purpose of promoting the recreation, health, safety, and welfare of the residents of the Greens and in particular for the maintenance of the roads, utilities, Villa Exteriors, Common Elements and other property the Association is obligated or authorized to maintain.

Section 5.4 Statement of Status of Assessments. The Association shall, upon demand at any time, furnish a certificate in writing signed by an officer or agent of the Association, setting forth whether the assessments on a specified Lot have been paid. A reasonable charge may be made by the Association for the issuance of these certificates. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 5.5 Annual Assessment. At least thirty (30) days prior to the end of each calendar year, the Board shall determine the Annual Assessment for the next ensuing year. Such Assessment shall be based upon an annual budget for the Association approved by the Board and adopted by the Owners in the manner required by the Act. Annual Assessments shall be payable in periodic installments and with appropriate penalties for delinquency as shall be established by the Board.

Section 5.6 Special Assessment. In addition to the Annual Assessments authorized above, the Association may levy a Special Assessment for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair, or replacement of any Common Elements or facilities which are the responsibility of the Association pursuant to this Declaration, provided that such Special Assessment shall have the assent of Members who own not less than two-thirds (2/3) of the Lots in the Greens who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting set forth for the purpose of the meeting. Any such Special Assessment shall be payable in equal monthly or quarterly installments together with the Annual Assessment installment over such a period of time as the Board of Directors may deem in the best interest of the Owners.

Section 5.7 Default Assessments. In the event that expenses for maintenance, repair or replacement of the Common Elements or a Villa Exterior are the result of the intentional or negligent act of an Owner, an Owner's family or an Owner's guests or invitees, then such expenses incurred by the Association for such maintenance shall be the personal obligation of such Owner and if not repaid to the Association within seven (7) days after notice of the amount of such expense, then such expense shall become a Default Assessment levied against such Lot and the Association may proceed to collect such assessment in the manner provided in Article 11.

Section 5.8 Allocation of Assessments. All assessments, excluding Default Assessments, shall be evenly allocated among the Owners on the basis of the total number of Lots (29) resulting in an allocation per Lot of 1/29th.

Section 5.9 Collection of Assessments. Any annual, special or Default Assessments which are not paid when due shall be delinquent. If the assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency at the rate provided in the Bylaws, not to exceed twenty-one percent (21%) per annum, and the Association may bring an action at law against the Owner personally obligated to pay the same, and/or foreclose the lien against the Lot, and interest, costs and a reasonable attorney's fee for any such

action shall be added to the amount of such assessment. No Owner may waive or otherwise escape liability for the assessments provided for herein by abandonment of his Lot.

Section 5.10 Liens. Priority of liens for assessments shall be as set forth in the Act, including §38-33.3-316, C.R.S., which provides that any holder of a first deed of trust who obtains title to a Lot or Lots pursuant to the remedies in the deed of trust or through foreclosure will not be liable for more than six months of the Lot's unpaid regularly budgeted dues or charges accrued before the acquisition of the title to the Lot or Lots by the holder of the deed of trust.

Section 5.11 Reserves. The Association may establish reasonable reserves for maintenance, capital expenditures, or repairs and accumulate such reserves from year to year without causing such reserves to be deemed "surplus funds" for purpose of the Act.

Section 5.12 Commencement of Annual Assessment. The annual assessments provided for herein shall commence on all completed Lots on the first day of the month following the conveyance of the first such Lot by Declarant to an Owner other than Declarant. A completed Lot shall be defined as a Lot for which a certificate of occupancy has been issued by the appropriate governmental authority. **ARTICLE 7
MAINTENANCE, REPAIR AND REPLACEMENT**

Section 7.1 General Maintenance Responsibilities. Subject to the specific rights and obligations set forth in this Declaration, each Owner shall have the exclusive right and obligation to maintain each Owner's Villa Interior. The Association shall have the right and obligation to maintain all Villa Exteriors, Yard Areas and Common Elements.

No Owner shall do or permit any act or work which would impair the structure, utilities, heating or plumbing systems or the integrity of the buildings or impair any easements established by this Declaration. An Owner shall not be responsible for repairs caused by insured casualties as set forth in Article 12 hereof unless such repair is caused by the act or negligence of the Owner, the Owner's family, guests, invitees or tenants. In such event, such Owner shall promptly reimburse the Association for the repairs and

unless paid such amount shall become a default assessment which shall be enforceable in the same manner as other assessments pursuant to this Declaration.

Section 7.3 Association's Maintenance Obligation. The Association shall be obligated to maintain, repair, replace and improve all Villa Exteriors, Yard Areas and Common Elements not otherwise required to be maintained by the Owner. No approval of the Owners shall be required for the Association to make such expenditures.

Section 7.4 Modification to Villa Exterior Prohibited. Any modifications to any Villa Exterior or the construction of any improvements or landscaping within any Yard Area without the expressed written approval of the Association is prohibited.

Section 7.5 Party Walls. The walls of any Lot which are shared with one or more contiguous Lots are declared Party Walls and subject to the following provisions:

Reference to any Lot in any instrument affecting title thereto, including without limitation, deeds, mortgages, deeds of trust, statements of lien and the like, shall be deemed automatically to include the reciprocal easements for Party Wall structural improvements adjacent and appurtenant to such Lot. To the extent not inconsistent with these provisions, the general rules of law regarding Party Walls and liability for property damage due to negligence or willful acts or omissions shall apply.

Each Owner is hereby licensed and authorized by the adjacent Owner to enter upon the other Owner's premises during reasonable business hours and after reasonable notice to make necessary or proper repairs, maintenance, restoration or replacement of the Party Wall improvements.

Construction, replacement and restoration of the portion of any Party Wall shall be of the same design, type, quality and color as previously existed. In the event any Owner fails after reasonable demand to perform repairs, maintenance, replacement or restoration for which such Owner is liable by the foregoing provisions, then upon request of an aggrieved Owner the Association may make or contract to make such repairs, maintenance, replacement or restoration and all costs and expense thereof shall be billed to the responsible Owner as a default assessment.

ARTICLE 12
INSURANCE, DAMAGE, DESTRUCTION AND CONDEMNATION

Section 12.1 Association's Obligation to Maintain Insurance. At the time of the first conveyance of a Lot to a person other than Declarant, the Association shall maintain in full force and effect, to the extent reasonably available, the following insurance:

12.1.1 Property insurance for broad form covered causes of loss in the kinds and amounts typically required by mortgage lenders for similar townhome projects. The amount of such insurance shall be the full insurable replacement cost less applicable deductibles. Coverage shall be provided for the Common Elements and the Villa Exteriors but not the Villa Interiors. If Lots are under construction which are connected to completed Lots that have been conveyed to a person other than the Declarant, Declarant may elect to continue coverage under Declarant's policy of builder's risk until all adjoining Lots are completed. In such event, Declarant shall add to the policy, as additional insured, any Owners and Mortgage holders to the extent of their respective interests.

12.1.2 A comprehensive policy of public liability insurance covering all claims and liabilities arising in connection with the ownership, existence, use or management of the Common Elements. The insurance shall cover the Association, its Board, management agent and their respective employees, agents and all persons acting as agents. The Lot Owner shall also be included as additional insured for claims and liabilities arising in connection with the ownership, existence, use or management of the Common Elements. The insurance shall also cover claims of one or more insured parties against other insured parties.

12.1.3 To the extent required by law and subject to the availability of funds, adequate fidelity insurance or bond to protect against dishonest acts on the part of the Association's officers, directors, managing agents, trustees, employees and volunteers which shall name the Association as obligee and be written in an amount equal to at least 150% of the estimated annual operating expenses of the Greens, including reserves.

Section 12.2 Insurance Premiums. All insurance premiums required or permitted hereunder shall be a Common Expense of the Association, except Owner's Insurance.

Section 12.3 Owner's Insurance. Each Owner shall have the responsibility, at such Owner's sole expense, to maintain a standard policy of fire and hazard insurance on the Villa Interior and a standard policy of liability insurance with limits established by the Board. Owners may obtain such additional insurance as they deem appropriate provided such insurance coverage

shall not affect any coverage obtained by the Association to cause the diminution or termination thereof. All Owners' insurance policies shall include a provision waiving the insurance company's right of subrogation against the Association.

Section 12.4 Damage or Destruction. As soon as possible after damage to or destruction of any part of the Greens, except Villa Interiors, the Association shall, unless such damage or destruction shall be minor, obtain an estimate of the cost of repair and reconstruction. Repair or reconstruction shall mean restoring the damaged or destroyed part of the Greens to the same condition as existed prior to the damage or destruction. The Association shall diligently pursue completion of the repairs and shall utilize insurance proceeds for such reconstruction. The Association shall have full authority, right and power of attorney-in-fact to cause the repair and restoration of the improvement without any consent or other action by any Owner.

Section 12.5 Insufficient Proceeds for Repair. If insurance proceeds are not sufficient to cover the complete cost of the repair, a special repair assessment shall be levied against all Owners and their Lots for the deficiency, which shall be due and payable within thirty (30) days. Such special repair assessment shall not be subject to the approval requirement of Article 7.

fraudulent or criminal intent in the performance of his duties. The foregoing right of indemnification shall be in addition to and not exclusive of all other rights to which such persons may be entitled at law or otherwise.

Section 14.3 Nonwaiver. Failure by the Declarant, the Association or any Owner to enforce any covenant, condition, restriction, easement, reservation, right-of-way or other provision contained in this Declaration shall in no way or event be deemed to be a waiver of the right to do so thereafter.

Section 14.4 Captions. The captions to the Articles and Sections are inserted herein only as a matter of convenience and for reference and are in no way to be construed to define, limit or otherwise describe the scope of this Declaration nor the intent of any provisions hereof.

R E C I T A L S:

A. This amendment was approved by more than 67 % of the Owners of property subject to the Declaration as required by the Declaration and C.R.S 38-33.3-217; and

B. The Greens at Dalton Owners Association (the "Association") is authorized by the Colorado Common Interest Ownership Act to execute and file this amendment to the Declaration on behalf of the Owners.

NOW THEREFORE, the Association, on behalf of the Owners, does hereby amend the Declaration as follows:

1. Section 9.1. s) is repealed and replaced with the following:

s) **RENTAL REQUIREMENTS FOR HOA MEMBERS**

1. The minimum rental period is 7 days.
2. A unit may be rented up to 20 times during a calendar year.
3. The maximum number of rental occupants is 7.
4. The rental agreement must contain the "Renter Rules" (presented at the end of these requirements) as written and will state that the return of the renters deposit may be reduced if the Renter Rules are not followed.

Members are responsible for the HOA charges related to renter rules violations and damages regardless of whether or not they are able to pass on such charges to their renters.

5. The Renter Rules must be permanently and prominently displayed in the unit as to be regularly seen by all occupants. For example, the rules can be framed and mounted on the wall of a living room, kitchen or entrance.

6. Members who rent their units will submit a copy of their current rental agreement form to the HOA's manager for approval of the items related to these requirements.
7. Members who rent their units will provide to the HOA's Manager the contact information (phone / text and email) for the Member and, if different, for their property manager who is responsible for rental operations and compliance with the Renter Rules. The HOA may publish this contact information to its Members.
8. It is the responsibility of Members or their designated property managers to resolve any renter problem reported by the BOD or the HOA Manager within 18 hours of when notice is received. The notice is deemed received at the time it is sent by email, voice mail or text to the address or phone number provided by the Member or their representative. The BOD and the HOA Manager are not obligated to follow up with the Member or property manager before taking further action if the problem is not resolved within 18 hours.
9. Members will be billed for the cost of unresolved renter problems. This includes the costs related to damage to property that is the HOA's responsibility which includes damage to the exterior of the building and landscaping. It also includes, at the BOD's discretion, up to a \$100 HOA fee related to a problem not resolved within 18 hours of notice. The HOA Manager will inform the Member of any charges within 14 days of the original problem notice in order to give the Member the opportunity to withhold monies from the renter's deposit. The Member will pay the bill within 30 days of its receipt and is not obligated to pay if not received within the 14 day deadline. During this 30 day period, the Member may contest the charge to the BOD. The BOD will then make its decision by majority vote.
10. All reservations must be submitted to the HOA Manager prior to the arrival of the renter. They can be submitted by email to: arem@arempm.com or faxed to: 970-247-8343 and titled as "Greens Rental Reservation "address xxx" "Dates Applicable". The reservation will include the name, phone number (local/cell), number in the party, and car license number.
11. In addition to the Renter Rules which are being emphasized, all other HOA covenants and rules apply.
12. The BOD may change the procedures for managing these requirements (excluding items 1, 2 or 3 above) or modify the Renter Rules for clarity. Members will be given at least 15 days notice of any change in procedures.
13. Consistent compliance with the above requirements is key to the BOD and HOA Manager effectively working with Members managing rentals. As such, Members may be charged a fee of up to \$150 for a violation of requirements 1 to 10 following a warning for the first violation for each of the above requirements. Members may appeal the fee to the BOD who will consider any extenuating circumstances. These requirements are important and continued violations will receive less consideration.
14. The obligations pertaining to unit rentals, which include these requirements, are part of the HOA's Declarations. By their action, each Member that rents their unit after December 31, 2013 agrees to follow these requirements.

RENTER RULES (to be prominently posted):

Full time residents live in this community.

Guests agree to abide by the The Greens Homeowners Association rules at all times while at the property and ensure all members of the rental party and anyone else Guest permits on the property to abide by the these rules. **Guests agree that the refund of their security deposit may be reduced by the cost of damaged property plus fees of up to \$100 per incident assessed by The Greens HOA for violations of the following Renter Rules:**

- **NO VEHICLES MAY BE PARKED IN THE DRIVEWAY OR ON THE STREET AT ANY TIME. VEHICLES MAY BE PARKED FOR A SHORT TIME IN THE DRIVEWAY FOR LOADING AND UNLOADING. RENTAL REQUIREMENTS FOR HOA MEMBERS

1. The minimum rental period is 7 days.
2. A unit may be rented up to 20 times during a calendar year.
3. The maximum number of rental occupants is 7.
4. The rental agreement must contain the "Renter Rules" (presented at the end of these requirements) as written and will state that the return of the renters deposit may be reduced if the Renter Rules are not followed.

Members are responsible for the HOA charges related to renter rules violations and damage regardless of whether or not they are able to pass on such charges to their renters.

5. The Renter Rules must be permanently and prominently displayed in the unit as to be regularly seen by all occupants. For example, the rules can be framed and mounted on the wall of a living room, kitchen or entrance.
6. Members who rent their units will submit a copy of their current rental agreement form to the HOA's manager for approval of the items related to these requirements.
7. Members who rent their units will provide to the HOA's Manager the contact information (phone / text and email) for the Member and, if different, for their property manager who is responsible for rental operations and compliance with the Renter Rules. The HOA may publish this contact information to its Members.
8. It is the responsibility of Members or their designated property managers to resolve any renter problem reported by the BOD or the HOA Manager within 18 hours of when notice is received. The notice is deemed received at the time it is sent by email, voice mail or text to the address or phone number provided by the Member or their representative. The BOD and the HOA Manager are not obligated to follow up with the Member or property manager before taking further action if the problem is not resolved within 18 hours.

9. Members will be billed for the cost of unresolved renter problems. This includes the costs related to damage to property that is the HOA's responsibility which includes damage to the exterior of the building and landscaping. It also includes, at the BOD's discretion, up to a \$100 HOA fee related to a problem not resolved within 18 hours of notice. The HOA Manager will inform the Member of any charges within 14 days of the original problem notice in order to give the Member the opportunity to withhold monies from the renter's deposit. The Member will pay the bill within 30 days of its receipt and is not obligated to pay if not received within the 14 day deadline. During this 30 day period, the Member may contest the charge to the BOD. The BOD will then make its decision by majority vote.

10. All reservations must be submitted to the HOA Manager prior to the arrival of the renter. They can be submitted by email to: arem@arempm.com or faxed to: 970-247-8343 and titled as "Greens Rental Reservation "address xxx" "Dates Applicable". The reservation will include the name, phone number (local/cell), number in the party, and car license number.

11. In addition to the Renter Rules which are being emphasized, all other HOA covenants and rules apply.

12. The BOD may change the procedures for managing these requirements (excluding items 1, 2 or 3 above) or modify the Renter Rules for clarity. Members will be given at least 15 days' notice of any change in procedures.

13. Consistent compliance with the above requirements is key to the BOD and HOA Manager effectively working with Members managing rentals. As such, Members may be charged a fee of up to \$150 for a violation of requirements 1 to 10 following a warning for the first violation for each of the above requirements. Members may appeal the fee to the BOD who will consider any extenuating circumstances. These requirements are important and continued violations will receive less consideration.

14. The obligations pertaining to unit rentals, which include these requirements, are part of the HOA's Declarations. By their action, each Member that rents their unit after December 31, 2013 agrees to follow these requirements.
